One Door Mental Health is a leading mental health service provider specialising in severe and enduring mental illnesses. For over 38 years, One Door has designed and delivered expert mental health programs that are now accessible through the NDIS.

Through One Door, people living with mental illness and their families can find an inclusive community, innovative services and advocacy support. Creating a world in which people with a mental illness are valued and treated as equals is at the heart of everything we do.

One Door is a proud member of the Mind Australia Group which includes Mind Australia, One Door Mental Health, and The Haven Foundation.
